RSVP to Susan Shaw by Oct. 6th: susan@pendulumconsult.com /512-394-7683.

Please make checks payable to: ACC Center for Public Policy and Political Studies

The Center was established in 2007 as a non-partisan and externally funded non-profit 501(c) 3 under ACC's Office of External Affairs, and is the first of its kind to be established at a community college, making it a model program for other communities across the nation. The Center offers ACC students practical experience in learning how government policies are created and executed and the impact of public policy decisions on every level of the population.

For more information about the Center, please go to our website:
